

Ma Cherie

we are gonna dance into the sea
all i want is you you're ma cherie
never seen a girl that so Jolie
all i want is you , you're ma Cherie
ma Cherie ooh

when I look into your eyes
i see rainbows in the skies
baby when you're close to me
i know you are ma Cherie

we are gonna dance into the sea
all i want is you you're ma cherie
never seen a girl that so Jolie
all i want is you , you're ma Cherie
ma Cherie ooh

we don't need to run or hide
I'll be there to hold you tight
you and me we are on fire
ma Cherie you're my desire
ooh

we are gonna dance into the sea
all i want is you you're ma cherie

we are gonna dance into the sea
all i want is you you're ma cherie
never seen a girl that so Jolie
all i want is you, you're ma Cherie

i will take you higher
i will take you higher
i will take you higher
You're ma love
you're ma Cherie
