

WAVIN' FLAG

Ohohoho Give me freedom give me fire, give me reason take me higher. See the champions take the field now, you define us, make the feel proud. In the streets our heads are lifting, as we lose our inhibition. Celebration, it's around us, every nations, all around us. Singing forever young, Singing songs underneath that sun. let's rejoice in the beautiful game, and together at the end of day. We all say When I get older. I will be stronger. They'll call me freedom, just like a waving flag. When I get older. I will be stronger. They'll call me freedom, just like a waving flag.
